Re: Conservation Closure(s)/Opening(s)

Dear Ms. Jameson:

This is to acknowledge the following conservation closure/opening request(s). **New requests are in BOLD. This closure is for soft shell clams only.**

Effective	End	Shellfish Area	Status
12/8/2021	06/30/2022	Bug Tussle and Broad Cove- inside of a line beginning at the Waldoboro – Bremen town line at the Harriman Road, following the town line south and then east to the end of Gross Neck where the Broad Cove East Road ends. This area includes Bug Tussle and Broad Cove. The Waldoboro – Bremen Town line will act as the western boundary of this closure. **Closed for harvesting Sundays, Mondays, and Tuesdays; AND all nights ½ hour after sunset and ½ hour before sunrise	Closed**

This office approves of the Town of Waldoboro's conservation measures. We appreciate your efforts to keep us informed on your conservation activities. If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Denis-Marc Nault
Shellfish Program Supervisor

CC: Hannah Annis, Area Biologist
Lt. Daniel White, Marine Patrol Division I
